

Founded in 1995, the boston wedding group is a nonprofit organization of wedding professionals who advance the standards of excellence in greater boston's wedding community. For couples we offer a one-of-a-kind referral resource of peer-reviewed experts who create great wedding experiences. For professionals we offer an association with wedding leaders who inspire exceptionalism, promote continuing education and advocate on behalf of each other's individual business success. Visit bostonweddinggroup.com for inspiration and more.
